

Medical Marijuana Registration Process

Patient Registration Process

Patients go to: **<http://www.ct.gov/dcp/mmp>**

Click **Online Application** on the left side bar.

Create a new account using the email address that I registered you with:

Submit the following to the Department:

- Proof of Identity
- Proof of Connecticut residency
- Current passport size photograph
- \$100.00 registration fee (checks/money orders should be made payable to "Treasurer, State of CT")

You will be able to upload these documents and pay the fee when you submit your registration application online, or you can mail them to the Department.

Primary Caregivers - Registration Process

If a patient's physician certifies the need for the patient to have a primary caregiver, the patient may register one person to act as their caregiver with respect to their palliative use of marijuana.

A primary caregiver applicant will only be able to access the online registration system if:

- The patient's physician indicates a need for a primary caregiver; and
- The patient identifies the applicant as the person who will serve as their primary caregiver.

To register with the Department, a primary caregiver must:

- Have their patient identify them as their primary caregiver on their registration application. In this regard, the patient must provide identifying information about their caregiver, including:
 - **A valid e-mail address**
 - **A primary telephone number**
- **Submit the following to the Department:**
 - Proof of Identity
 - Current passport size photograph
 - \$25.00 registration fee (checks/money orders should be made payable to "Treasurer, State of CT")

You will be able to upload these documents and pay the fee when you submit your registration application online, or you can mail them to the Department.
